Tap-C update- Jordan gave an update on the committee and their vision. She also invited everyone to attend the next meeting.

Matt presented a legislative update. SB 267- HPF passed and has been signed by the Governor. This is a start but doesn't begin to cover what we need. Reality is we get 1.8 billion over 4 years. CCA will not run a ballot measure this year.

Darian Ledezma would like to take on the PM roll and will send out an email asking for more help. Jordan will ask tony to resend email asking for donations. Many companies would like to make a monetary donation. The Task Force will address how to handle that.

Jessica provided a Marketing update. She asked that everyone please send pictures for the newsletter, as well as any other material that should be included. Jordan will reach out to Matt to see if he would do a write up for Tap- C committee. All material needs to be to Jessica by the 21st. She will send out by the end of the month.

Related to November event. WZSSF needs some sort of marketing campaign. Jordan will bring this to the AC. The ELC could do a safety seminar regarding traffic safety with all money raised going to the WZSSF.
