Minutes from the Rockies game got lost but we do have minutes from the 6-2-17 meeting. Jessica was missing and needs to be added. Motion to pass upon amended.

Financials were reviewed. Bar tab from the Rockies game is missing, everything else is up to date. Budgeted for golf, family picnic, Holland and Hart, October/November event. We are on track.

### Events

August 10<sup>th</sup>- \$2500 cost so far. Jordan will ask Chris to bring a grill and invite AGC. ELC will also invite other families in their companies. Resend invite and send a text alert. Call Fun Pro and see if they can give us a break. Work on more marketing to get people there. Send out to membership and invite them if they are interested in ELC. Betsy will get food beforehand.

August 21<sup>st</sup>- Metro golf, \$300 sponsorship for bloody bar. Jessica asked that we make sure we take photos.

Sept 14<sup>th</sup>- Holland and Hart- Jordan will send invite to everyone. Matt suggested that we open it up to membership.

August 18<sup>th</sup> Community Service day-Betsy gave an update. Things are moving quickly. Problems with another contractor that we didn't know about. Darian is doing a great job of putting his foot down. Monday and Tuesday – grading and moving rocks. Irrigation is going in the week after. Plants are coming in the 17<sup>th</sup>. ELC will do volunteer day on the 18<sup>th</sup> with two time slots. We will lay mulch, dig holes and get everything ready for the “community plant day” on the 19<sup>th</sup>. On the 26<sup>th</sup> there is a race and memorial dedication. Email and calendar invites will go out today.

November networking- Table

December Christmas- table

Marketing Update- next newsletter in October. Final reviews. Deadline to get materials to Jessica is September 22<sup>nd</sup>. Will highlight the 7-20 memorial in the newsletter.

Community service update- already given

Membership Update- time to start pushing for new members. Braden will work with Jordan to come up with a recruitment ideas. Pull a list of company leaders and reach out to them. Jordan will send Braden a list. We need to reach out to Ames and Co Barricade. Do a push for the picnic. Ladd is moving to Cali. We need to reach out to someone at Power Equipment to see if they'd like to replace him. Betsy has someone in mind and will reach out and invite him to the event.

Mission statement- Need to review and make sure we are following that. We should focus on safety and innovation more, we are missing that piece but doing a good job with everything else. Include the mission statement on the agenda every month. Betsy had a great speaker. Jordan will reach out and see about having him at conference. Bring Moses to the September event and do 10 minutes.

We could do an oct/November-possible networking event at resolute brewing. Will talk about that next month.

Luke- lets stay focused to get everyone to the picnic. Jordan will let the committee know if she needs help.
