Called the meeting to order. No minutes because Jordan needs to get them from Randy.

Braden reviewed financials. We went over budget a little on a few events but we were under budget for the community service event, so things are balancing out. We are getting dues paid and have \$1,400 for Rockies game.

Membership Chair & Co-Chair update- No new applications. Will try recruit at conference.

Community Service- September 19th for next community service event. Jordan will send out a save the date calendar invite for Lardan campus. 9-12 and another for 1-4.

Jordan will reach out to Betsy to find out about the shade structure and play panels.

Community Service Chair- Last newsletter didn't actually go out. Next one scheduled for August 9th. Highlight upcoming community service events, pictures from Rockies games. CWFC Round- Up on August 21st, Sara made a motion for 2 \$250 items and it was unanimously approved.

Workforce Development Update- Ted will meet with Jeff Wilkes for a bootcamp wrap up and to talk about next steps. Ambassadors should reach out to scholarship winners to invite them to the roundup event. ELC will pay for anyone who wants to go.

Golf Event- ELC will sponsor a foursome and Jordan will give them a free sponsorship. Elvia made a motion for the \$800 for the foursome.

October 11th- Planning retreat. Jordan will cancel October 4th and send another for October 11th.

Move meetings to the first Thursday at 7am. Jordan will move meeting invites.

A motion to adjourn was made and passed unanimously.
