UPCOMING ELC EVENT:
Lessons from Leadership
Speaker: Federico Peña

May 4th, 2017
4:00 - 5:00 pm - Presentation
5:00 - 6:00 pm - Happy Hour & Networking

Lamar Street Center
5889 Lamar Street, Arvada, CO 80003

The Honorable Federico F. Peña is currently a Senior Advisor at the Colorado Impact Fund, which invests in companies having a positive impact in community health, natural resources conservation, education, and workforce and economic development in Colorado. He is a former Managing Director of Vestar Capital Partners, a private equity firm headquartered in New York City. He serves on several corporate boards and various non-profit boards in Colorado. Peña was a National Co-Chair of Obama for America 2012. He held the same role in 2008 and was a national board member of the Obama-Biden Transition.

During this special ELC event, Peña will share “Lessons from Leadership” stemming from his experience in the corporate and political sectors, including serving as Mayor of the City & County of Denver and in two cabinet positions in the Clinton Administration as Secretary of the Department of Energy and Secretary of the Department of Transportation. He will also discuss the current context of transportation and infrastructure funding and the challenges we face moving forward.

This event will be open to other CCA and FLF members. You do not want to miss this event — mark your calendars today!
CCA & CWFC Announcements

CCA’s New Talent Pipeline Committee - TaP-C

CCA has had a long history of working with its community partners to provide career opportunities for various populations to apply for jobs in the infrastructure construction industry. Many of these community partner programs have been very successful, such as CCA’s partnership with the Colorado Department of Corrections. What has been missing at CCA is an effort to coordinate the support of these standalone programs under one organizing group.

The CCA Staff and the ELC are joining forces to provide a synergistic approach which will maximize the best of these programs and leverage limited resources from one program to another. The ELC will be taking a strategic role by being a strategic partner of the new Talent Pipeline Committee – TaP-C. CCA and the ELC will reach out to the human resource managers and those who are active in the hiring of employees to be members of this committee. Our industry partners will also be invited to be part of this holistic effort.

TaP-C Vision

Through a shared vision of creating a Talent Pipeline for all CCA members support and coordinate these partner programs.

TaP-C Goals

- Support program by providing speakers, serving on advisory boards, providing project tours and mentoring new hires.
- Coordinate hiring fairs for CCA members
- Develop strategies to leverage $ of individual program resources with other programs
- Market program hiring opportunities to CCA members
- Share Best Practices among committee members

More information on the new Talent Pipeline Committee – TaP-C will be available at the ELC meeting on April 6th
**ELC Day at the Capitol**

On Thursday, March 23rd, the ELC participated in a Day at the Capitol. The day started off with a breakfast and a legislative update from the CCA Lobby Team, as well as a visit from Representative Polly Lawrence. The group was briefed on the Legislative process and the status of **HB-1242**. After breakfast, participating members headed to the Capitol and were introduced and warmly welcomed on the House floor.

**HB-1242** is CCA’s biggest legislative focus at the moment and would prefer a ballot measure to Colorado voters in November. If passed, the measure would create an additional $700 million each year for transportation funding. To learn more about HB-1242 visit: [http://leg.colorado.gov/bills/hb17-1242](http://leg.colorado.gov/bills/hb17-1242), and be sure to keep an eye out for CCA Action Alerts in your email.

**Upcoming Community Service Event**

**Jeffco Action Center (JAC)**

**May 12th, 2017**

Location: 8755 W 14th Ave, Lakewood, CO

9:00am - 12:00 pm Morning Volunteer Group
1:00pm - 4:00 pm Afternoon Volunteer Group

The ELC and the Jeffco Action Center are excited to announce a volunteer day on May 12th, 2017. This volunteer day will be set up a little different from last year to ensure we are as effective as possible in meeting the needs of the Action Center. As we experienced last year, the attendance from the ELC was impressive so there will be two options to volunteer on May 12th. These will be assigned on a first come first served basis. Each time slot will have openings for 15 volunteers. Also, please consider bringing food and clothing donations (especially menswear and shoes) when you volunteer that day.

There will be an official calendar invite sent out to the ELC in the near future, but please block off time on your calendar to make a difference at the Jeffco Action Center.
